- To **promote the Short Film Conference** by sharing our promotional material in your catalogues, brochures and on your website and/or social media.
- To take our **Code of Ethics** to heart. It's not a rulebook, but we do recommend it strongly as helpful guidelines to grow and maintain a healthy short film industry.
- **Keep in touch** with us regarding the information you want to see spread throughout our network. Raise your voice if you have ideas or concerns in order to help us grow.

Pay It Forward Membership:

- Members can choose to pay the fee for another organization. Who receives that fee will be chosen at the discretion of the SFC Board with a first come, first serve service. **We ask members who want to Pay It Forward to get in touch with us.**
- Organizations that want to receive the Pay It Forward-membership can apply by writing us an e-mail, explaining their structural or financial situation.
- Recipients of the PIF-membership will not be made public, nor the festivals offering the extra fee.
